INDIANA UTILITY  
REGULATORY COMMISSION

CAUSE NO. 42491

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

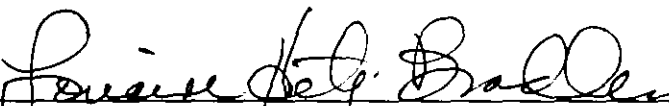

On August 7, 2003, IQ Telecom Inc. ("IQ") filed its Verified Petition for a Certificate of Territorial Authority to Resell Bundled Local Exchange Telephone Services within the State of Indiana (hereafter "Petition"). The Petition filed by IQ was a "short form" petition, as addressed by this Commission in Cause No. 39983, intended to be processed after due public notice, without the necessity of a hearing. On August 22, 2003, August 28, 2003, September 25, 2003, the Presiding Officer issued docket entries requesting additional information and verification of items. The Petitioner failed to respond to the last docket entry, which set a deadline of October 10, 2003 for response.

Pursuant to 170 I.A.C. 1-1.1-24, the Commission may dismiss any pending proceeding that has been on the Commission's docket for six (6) months, is not currently set for hearing, and upon which action has not been taken by any party.

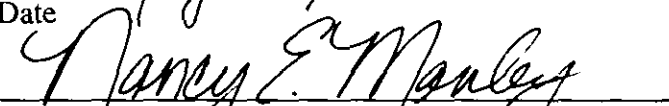

The Presiding Officer, having examined the Petitioner's filings, and being duly advised in the premises, hereby finds as follows:

The Petitioner is hereby notified that the Commission will dismiss this cause without prejudice unless the Petitioner files documentation showing cause why it should not be dismissed, on or before June 2, 2004.

**IT IS SO ORDERED.**
